Dear Parents,

Welcome to the Bear Class! We are absolutely delighted to have your child with us this year as part of our exciting educational journey.

In the Bear Class, children will embark on a year full of learning, growth, and exploration. Under the expert guidance of our very own Principal and Teacher Louise, the Bear Class is designed to foster independence, creativity, and a lifelong love of learning. With a focus on developing both academic and social-emotional skills, our goal is to build a strong foundation that will support your child as they continue to grow and succeed.

Throughout the year, your child will engage in a variety of enriching activities, from hands-on learning projects and storytelling to group play. Teacher Louise and our dedicated team will be there every step of the way, offering individualised support to ensure every child feels seen, heard, and empowered.

At Junior Junction, we believe in creating a warm, inclusive, and nurturing environment where children can confidently explore, ask questions, and develop their unique strengths. We are committed to working in close partnership with you to ensure that your child's experience in the Bear Class is not only educational but also joyful and memorable.

Thank you for entrusting us with this important chapter in your child's early education. We look forward to a wonderful year of learning, laughter, and growth. Together, we will help your child develop the skills they need to take on new challenges and succeed in the years ahead.

Louise Hawes

School Principal and Bear Class Teacher

I am a mother of 4 beautiful children, I have been married to my incredible husband Quintin for 21 years.

I love Jesus passionately and love to see people, especially children walk in their destiny and what God has called them to. Three of my four children have graduated from Junior Junction and so the school and staff hold a very special place in my heart. There are few things in life that bring as much joy as working with children. I worked at Junior Junction as a substitute teacher in 2022, in 2023 I joined the team as an assistant teacher, shortly after becoming a teacher and this year, I took on the role of Principal and Bear Class Teacher. It is an incredible blessing to be part of such an incredible team and school. I love being able to sow into the lives of these incredible kids. There are no words that can describe the joy it brings to my heart to see and spend time with them each day.

Extra Murals

At Junior Junction, we partner with four amazing extra mural providers every year to offer a variety of activities for the children. These providers are:

Soccer Starz – A fun and engaging soccer program that focuses on developing coordination and teamwork.

Playball – A dynamic program that introduces children to various sports, promoting physical development and social skills.

Dance Trax – A creative dance program that encourages self-expression through movement and rhythm.

Stimuzone – A program designed to stimulate cognitive development through interactive games and activities that include robotics, coding, computer literacy and perception skills.

We are thrilled to offer these opportunities, as they complement our curriculum and give children a well-rounded experience.

Brochures and pricing available on request.
