Dear Parents,

Welcome to the Owl Class! We are so excited to have your child join us for this special year of growth and discovery in Grade R. Under the caring and dedicated guidance of the amazing Teacher Linda, the Owl Class will focus on preparing each child for the exciting journey ahead in their formal education. With a balance of structured learning and creative play, our goal is to nurture curiosity, build foundational skills, and instill a love for learning that will last a lifetime.

Teacher Linda is passionate about creating a safe, inclusive, and stimulating environment where every child feels supported and confident as they explore new concepts, develop essential social skills, and grow in their independence. This year will be full of fun learning activities, hands-on projects, and meaningful experiences that will help each child develop academically, emotionally, and socially.

We look forward to working closely with you and your child, and we are committed to ensuring that this year is full of wonderful memories and important milestones. Together, we will build a strong foundation for your child's future success in school and beyond.

Thank you for entrusting us with this important step in your child's educational journey. We are thrilled to have you as part of the Owl Class family!

Extra Murals

At Junior Junction, we partner with four amazing extra mural providers every year to offer a variety of activities for the children. These providers are:

Soccer Starz – A fun and engaging soccer program that focuses on developing coordination and teamwork.

Playball – A dynamic program that introduces children to various sports, promoting physical development and social skills.

Dance Trax – A creative dance program that encourages self-expression through movement and rhythm.

Stimuzone – A program designed to stimulate cognitive development through interactive games and activities that include robotics, coding, computer literacy and perception skills.

We are thrilled to offer these opportunities, as they complement our curriculum and give children a well-rounded experience.

Brochures and pricing available on request.
